

# Advent

This wreath has four candles. There is one candle for each Sunday in Advent.

Color the candles purple. Color the wreath green.

What Sunday in Advent is today? "Light" the right number of candles.

Color a flame on top.

*Instructions:* For every Sunday in Advent, make copies of this reproducible sheet for use with children. Each Sunday, encourage them to add the appropriate number of flames to the candles. (One for the first Sunday, two for the second, and so forth.)
