

Living Grace

Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone (Colossians 4:6).

Leader: God of Grace, the unpredictability of life can rob us of our peace.

People: We often find ourselves feeling drained and fearful.

Leader: Remind us that it is by your grace

People: that day by day we live in the promise of life eternal.

Leader: Open us to the language of grace

People: As it comes to us through the beauty of creation

Leader: and through the words of Scripture

People: and from your heart to ours whenever we pause in your presence.

Leader: Teach us the language of grace

People: so that we might speak words that calm division,

Leader: words that heal rather than injure

People: words that transform rather than provoke

Leader: so that we might be agents of grace in this anxious world.

All: May grace prevail in our lives and through our lives, in the name of Grace Incarnate, Jesus our Savior.
