Good works and glory amid great suffering and turmoil

By all accounts, 2020 was a year like none other in the early decades of the 21st century.

The list of challenges seemed never ending: a global pandemic; a nation and world in lockdown; a crushed economy; devastating fires and storms; the deaths of Breonna Taylor and George Floyd; national protests and unrest; a polarizing presidential election. Along with these life-and-death challenges was another, perhaps even more critical for Christians—holding on to faith in those moments when God’s presence felt far away.

For American Baptist Home Mission Societies, holding on to faith throughout 2020’s tumult meant re-examining ministry plans and adapting them to a totally new reality—listening for God’s call in the chaos. Executive Director Dr. Jeffrey Haggray put it this way: “As people

of faith, and as followers of Jesus, we believe we are God’s missionary people; we believe God calls us to be salt and light in these troubled times. We hold tightly to our faith in God, which we sorely need in such a time as this, and seek divine guidance and wisdom concerning how we are to be agents of God’s good news in this historic time.”

It was, indeed, an unprecedented year. But ABHMS found new ways to be “agents of God’s good news” in a brave new virtual world—from providing online worship resources to offering workshops and webinars via ministrElife, its online network for ministry professionals. Through this pivot in planning, ABHMS reached out to thousands in need, and our mission focus remained unchanged: to impact the United States and Puerto Rico with the gospel that heals and transforms.

You are the light of the world. A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven.

— Matthew 5:14-16 (NRSV)

From the president

For members of the staff and board of American Baptist Home Mission Societies, this has been a year of unprecedented ministry, as we found ourselves abandoning our nets and following Jesus. Like those early disciples living through turbulent times, we have been asked to use the gifts we already possess in alternate platforms and altered realities. We are still fishing, but in another atmosphere and toward an expanded purpose.

The year 2020 took us out of our comfort zones. I attended a backyard party a long time ago where everyone was asked to bring an instrument or two. People began making music, some boldly, some more reservedly. As a song wound down, all were asked to swap instruments around the circle. Virtuosos on one instrument made clumsy attempts on unfamiliar reeds or strings, horns or skins. Yet even when no one was an expert, people managed rhythmic honks and enthusiastic, if not melodious, thumps. This year has been a bit like that improv session. All have taken the skills on hand and applied them in other ways. We learned to proclaim familiar songs of the Good News to new rhythms.

ABHMS staff used their talents in transformed and transformative ways during the pandemic and the struggles for justice and racial reckoning. Pastors and churches received resources for hosting meetings and

services over ministrElife, enabling congregational life to continue in many communities. Space for Grace reemerged as a series of webinars meeting people in places of grief, longing and restoration. Financial wellness training helped clergy balance current and future needs. The Christian Citizen consistently offered thoughtful theological reflections. COVID-19 relief grants made all manner of homegrown ministries and mission possible around the country.

People learned to improv with the instruments given to them and to fish without nets. Throughout this year, ABHMS maintained its commitment to equip disciples, cultivate leaders and heal communities. What a joy to be a part of this mission. May God continue to bless the work of God's people.

Peace,

Rev. Jamie P. Washam
President, Board of Directors
Pastor, First Baptist Church in America, Providence, R.I.

From the executive director

January 2020 launched joyously, as ABHMS hosted American Baptist national partners at the Leadership and Mission Building in King of Prussia, Pa.

We spent time together in fellowship, worship and study about Christian mission. We discussed our partnerships and initiatives to empower leaders and to transform congregations and communities, as we sought to increase mutual understanding and strategize about future mission.

We pledged to meet again in person during the 2020 Space for Grace National Conference. However, we all met sooner than expected at the National Emergency Roundtable—a virtual gathering of American Baptist executives and ABHMS staff assembled to urgently assess the impact of a global coronavirus pandemic on communities and congregations, and to collaborate on collective mission response.

We were bound together by common causes in 2020. The perils caused by the pandemic, racial unrest and racial reckoning, the hostility and vitriol of a polarizing national election, repeated natural disasters and wildfires, and untold economic devastation prompted all American Baptists to reflect critically on our call to be the presence of Christ amidst a hurting nation.

Despite 2020's challenges, ABHMS engaged in meaningful ministry, such as the You Are Not Alone

Clergy Conference, which provided online pastoral care to wounded healers, and the Justice Dialogues, which convened faith leaders and community organizers for mutual encouragement and support.

We raised and distributed hundreds of thousands of dollars through the One Great Hour of Sharing COVID-19 Response appeal to support local needs, and we provided emergency funds to areas devastated by wildfires and other natural disasters.

We lost loved ones and so much more, but by God's grace, we are still here. We know our ministries mattered. We are thankful that we were blessed to bless others. Our faith in God increased, and we look forward to continued partnership with loyal friends across the years as well as those we have met recently.

As always, we are indebted to board President Jamie Washam and our dedicated ABHMS board of directors for their faithful leadership and to our staff for their loyal service.

Executive Director

After John's arrest, Jesus appeared in Galilee proclaiming the Good News of God: "This is the time of fulfillment. The reign of God is at hand! Change your hearts and minds, and believe this Good News!" While walking by the Sea of Galilee, Jesus saw the brothers Simon and Andrew casting their nets into the sea, since they fished by trade. Jesus said to them, "Follow me; I will make you fishers of humankind." They immediately abandoned their nets and followed Jesus.

Giving...an American Baptist Response to COVID-19

At the onset of the COVID-19 pandemic, American Baptist regions, individuals and churches marshalled resources to address needs in their communities through a task force convened by ABHMS in the spirit of collaboration, compassion and contribution.

ABHMS developed a strategy to support communities impacted by COVID-19, and as we met with American Baptist partners in the task force over several weeks to address the crisis, partners gave generously to meet the tremendous need created by the pandemic—from hunger and loss of income due to lockdowns and high unemployment rates to grants for churches who needed to establish an online presence so they could continue to offer worship and community to members.

From May to December 2020, 108 churches and organizations received COVID-19 relief grants, thanks to the generosity of American Baptist regions and communities across the United States and Puerto Rico.

More than 1,900 gifts from regions, churches, organizations and individuals supported ministries ranging from Chaplaincy to COVID-19 relief in 2020. Of those gifts, 361 hailed from first-time donors. These remarkable numbers in a year of ongoing crisis prove the power of ministry.

On behalf of American Baptist Home Mission Societies’ board of directors and our executive director, thank you for your amazing generosity!

Common Investment Fund

Socially responsible investing (SRI) is a hallmark of American Baptist Home Mission Societies’ Common Investment Fund (CIF). Through SRI, the CIF seeks not only to maximize financial returns, but also to use shareholder power to hold corporations in which ABHMS is invested accountable to just and equitable business practices related to social and environmental issues. The COVID-19 pandemic’s impact on health and human rights re-emphasized the importance of our SRI advocacy.

ABHMS’ SRI priorities include affordable drug pricing, human rights, climate change, environmental justice, water stewardship and responsible financial practices. Annual corporate engagement around these issues is planned in collaboration with ABHMS’ Socially Responsible Investment Advisory Council and our SRI consultant—Investor Advocates for Social Justice.

In 2020—in partnership with members of the Interfaith Center for Corporate Responsibility—ABHMS pressed companies, such as Tyson Foods, The Hershey Co. and Pfizer to improve management of environmental, social and governance risks.

A few highlights of 2020 shareholder engagements include:

■ ABHMS continued to engage with Tyson Foods, prioritizing human rights issues. Through dialogue and shareholder proposals, ABHMS sought to bring attention to the impact of Tyson’s business on workers and community stakeholders. We pressed for strong worker protections, consultation with communities and responsible water stewardship. The 2020 annual shareholder meeting proposal received support from 14.58% of shareholders overall, correlating to 59.68% support from independent shareholders. The increase of 9% since the previous year demonstrated growing interest and support for this important issue. More than 20 investors co-filed the proposal.

Pandemic’s health and human rights impact highlight critical role of socially responsible investing

- ABHMS continued to lead dialogues with The Hershey Co. on human rights and sustainable agriculture, focused on child labor in the cocoa supply chain. Hershey issued a new Supplier Code of Conduct in 2019. ABHMS urged the company to implement the Human Rights Policy adopted in 2020.
- With support from Investors for Opioid Accountability, ABHMS co-filed a Pfizer shareholder proposal aimed at strengthening governance and oversight of risks related to the opioid crisis. Dialogue also included fair COVID-19 vaccine access for underserved communities.
- In 2020, ABHMS implemented an SRI impact priority strategy for the \$2 million Socially Responsible Mission Directed Fund and made several new investments. Priority areas include investing in regional focus areas (Puerto Rico and Southeast United States), supporting racial justice, improving underserved groups’ access to capital, supporting pastors, promoting environmental justice and mitigating climate change. Investments were made in the following funds to further these goals: Boston Impact Initiative, Chicago Trend, Ignite Capital, Up Community Fund, Sustain VC: Impact Fund II, Resilient Ventures Fund I.L.P. and Climate Investment Solutions Fund.

“Through the use of funds from ABHMS, [our church] provided two meals a month to New Horizons Youth Shelter, feeding 50-60 youth experiencing homelessness. ... We also provided \$500 worth of grocery gift cards to neighbors in need and helped eight neighboring families (...either single parents or elderly couples) struggling to pay rent and other bills during this COVID time. Many residents in the neighborhood ... are seeking assistance for the first time, and we were able to provide relief through the grants from ABHMS.”

“I have attended ABC (of Maine) churches
my whole life. I have never been as proud
of my association as I was when I read
the most recent version of The Christian
Citizen. All of the articles were interesting,
required reading for Christians who want
to make a difference in our world. Thank
you so much for this magazine.”

A litany for a time of unknown surrounding coronavirus

Written by the Rev. Florence Li, National Coordinator of Asian Ministries

Leader: O living God, we are disturbed by the spread of coronavirus and the many lives that have been lost and disrupted by it. We are in sorrow and disbelief regarding the lives that are being threatened due to its spread.

People: O living God, we pray for the loved ones of those who have lost their lives. We pray for those who are in recovery. We pray for the medical staffs who tend to them.

Leader: O living God, we acknowledge our lack of understanding of this disease, and the fear of frailty in human life. We lament blaming others for the cause of this disease.

People: O living God, help us to understand the majestic power of your creation. Forgive us if we have wrongly accused others of bringing forth this disease.

Leader: O living God, open our eyes that we may see your glory through the suffering, the healing, the recovery and the renewing.

People: O living God, hold us in truth as we practice loving our neighbors as we love ourselves, rejoice with those who rejoice and weep with those who weep.

Unison: O living God, instill in us clean hearts. Guide us as we live through this period of fear, so that we are spreading “faith” instead of spreading this “virus.”

Consider the following prayer to be used with the litany or as an alternative:

O Merciful God, in a time of unknowingness, fear and lack of knowledge regarding the origins of coronavirus, we come to you with open arms, welcoming people from all other places, acknowledging our human frailty and our need for your healing power.

O God, we pray for the loss of life, for those who care for the sick and ask for recovery to those in need of healing.

We pray for the cure of this disease and restoration of health.

We praise you, O God, in time of trouble and confusion; you have reminded us that you are our loving God and Savior.

Help us to spread Christian faith as we seek your truth and love each day. We pray in our Lord and Savior Jesus Christ’s name. Amen.

IN TIMES OF HOPE AND RECOVERY:

ABEC: Building Relationships, Building Churches, Helping Investors Build Their Futures.

In this time of recovery from an unprecedented pandemic, we are with you. We are here to help you reimagine the future and rebuild.

That's why institutions affiliated with the American Baptist denomination choose **ABEC Loans**. More than a lending organization, we offer specialized services, knowledge, and answers. We listen to what every church experiences and needs—and respond.

We are here with our investors, too. Your investments in **ABEC Notes** not only help you save for your family's future, they are the capital for loans that help churches all across the country and in Puerto Rico build, renovate, and serve their communities.

This is not an offer to sell our securities and we are not soliciting you to buy our securities. We will offer to sell our securities only in states where authorized. The offering is made solely by our Offering Circular. Our securities are not insured by the FDIC or any other state or federally regulated institution. ABEC Notes are not sold through licensed financial advisors in all states, and are not currently available in AR, FL, LA and TN. ABEC does not perform a suitability analysis prior to offering or selling the Notes. Investors must assess their own investment objectives prior to making an investment decision. Rates may change without notice. Past performance is not a guarantee of future results.

A final word

Since 2005—when I was named associate executive director of Communications at National Ministries (now known as American Baptist Home Mission Societies)—producing the annual report has loomed large on my To-Do List each spring.

Now that I am retiring at the end of 2021, and this 2020 report is my last, I think I'll spend spring lingering by the lilac bushes in my yard, savoring their delicious aroma, a reminder of nature's constancy and renewal.

As constant as nature is ABHMS, which has been ministering across the United States and Puerto Rico since 1832, almost two centuries now.

I never took it lightly ... the challenge of telling the story of this storied organization each and every year. It was one of the challenges of my job that meant the most to me, because I find it life-giving to craft powerful, compelling stories in creative ways that engage readers.

I have been blessed, over these many years, to work with a team of Communications professionals as focused as I have been on meeting this challenge. I am proud that our 2019 annual report won a "Best in Class" award from the national Religion Communicators Council in its annual peer-reviewed professional recognition program. "Best in Class" is the highest award given in any category of this program, which recognizes excellence in communications.

As you well know, to everything there is a season, and my season with ABHMS is coming to its close. I will truly miss rising to this annual report challenge each spring, but new challenges await. With God's grace, I will meet those with the same gusto I have devoted to telling the story of ABHMS ministries that touch so many lives in such profound ways.
